Mulch Manufacturing, Inc.

Section 1. Product and Company Identification

Manufacturer Information: Mulch Manufacturing, Inc.
6747 Taylor Road S.W.
Reynoldsburg, OH 43068

Contact: Mulch Manufacturing, Inc.
Phone: 614.864.4004 or 614.208.7905
Web:

Product Name: Wood Mulch
Revision Date: 6/1/15
Chemical Family: Not Applicable (N/A)
CAS Number: N/A
Synonyms: Cypress Mulch, Cypress Rose, Cypress Royale, Classic Cypress, Pine Mulch, Pine Nuggets, Pine Mini-Nuggets, Pine Rustic Mulch, Hardwood Mulch, Cedar Mulch, Path n Play, Color Enhanced Mulch, Extended Color Mulch
(NOTE: These products may be packaged in a variety of house or private labels)

Section 2. Hazard Identification

All natural forest products are used to produce MMFG mulches. The hazardous designation is not applicable (N/A) with these products.

Section 3. Composition/Information on Ingredients

Ingredients: Made from all natural forest products.

Section 4. First Aid Measures

Ingestion: N/A

Inhalation: Remove to fresh air. If persistent irritation, severe coughing, breathing difficulties or rash occur; get medical advice before returning to work with the product.

Eye Contact: Flush with water to remove particles from the eye. If irritation persists, get medical attention.

Skin Contact: If a rash or persistent irritation or dermatitis occurs, get medical advice before returning to work with the product.

Section 5. Fire Fighting Measures

Flash Point: Not Applicable (N/A)

Fire Extinguishing Media: Use water spray to wet down the mulch in the area of the flames and surrounding material to reduce the likelihood of spreading. Remove wet and burned material to an open area after the fire is out. Monitor area for at least 24 hours to insure fire does not restart.

Flammable Limits: N/A

Special Fire Fighting Procedures and Equipment: N/A

Unusual Fire and Explosion Hazards: N/A

Section 6. Accidental Release Measures

Steps To Be Taken In Case Material Is Released or Spilled: Sweep up or vacuum up spills for recovery or disposal, avoiding dusty conditions. Provide good ventilation. Place recovered wood dust in a covered metal container for disposal.

Waste Disposal Methods: Dispose of in a landfill or incinerate.

Clean Water Act Requirements: N/A

RCRA: N/A

Section 7. Handling and Storage

Precautions To Be Taken: Avoid hot, humid storage with not air circulation or contact with drying oils. Follow good housekeeping practices, clean up areas where mulch accumulates to avoid excessive accumulation of this combustible material. Follow good hygienic practices. Wash frequently and wear clean work clothing.

Section 8. Exposure Control/Personal Protection

Effects of Overexposure: Repeated and prolonged exposures to certain wood products can produce allergenic responses in a few sensitive individuals. Avoid repeated and prolonged contact with the skin, which can cause allergenic responses. If an allergy such as dermatitis, asthma or bronchitis develops; it may be necessary to remove the sensitized worker from further exposure to the product.

Probable Routes of Exposure: Skin Contact

Section 9. Physical and Chemical Properties

Color varies with wood type, moisture content, age and exposure to sun. It varies from light tan through black. It is composed of small pieces of wood varying in size from sawdust particles through pieces up to three to four inches in length.

Section 10. Stability and Reactivity

Stability: Stable

Conditions To Avoid: Not Applicable (N/A)

Hazardous Decomposition Products: Thermal-oxidative degradation of wood produces irritating and toxic fumes and gases, including CO, aldehydes and organic acids.

Hazardous Polymerization: Will not occur

Section 11. Toxicological Information

No toxicological testing has been conducted. May cause slight irritation but is not expected to produce adverse effects. Not intended for ingestion.

Section 12. Ecological Information

Ecological testing has not been performed on this product.

Section 13. Disposal Considerations

Dispose of contents properly

Dispose of containers properly

Containers can be reused or recycled

Product is not a hazardous waste under US or Canadian regulation

Section 14. Transport Information

UN #: Not classified

US DOT: Not classified

UN Shipping Class: Not classified

UN Packing Group: Not Classified

Section 15. Regulatory Information

International Inventories and U.S. Regulations:

All components of this product are listed on or are exempt from the following inventories:

RCRA Not Applicable (N/A)

CERCLA N/A

CONEG N/A

HAP N/A

ODC N/A

TOX N/A

CAA of 1990 N/A

SARA (302) N/A

SARA (311/312) N/A

SARA (313) N/A

CA Prop 65 N/A

To the best of our knowledge, this product complies with all Federal and State laws and regulations governing its manufacturing, distribution and intended use.

Section 16. Other Information

The information is furnished without warranty, representation, inducement or license of any kind, except that it is accurate to the best of Nature's Reflections knowledge. However, Nature's Reflections makes no guarantee and assumes no liability for the data contained. Users should conduct their own research regarding suitability for their purposes.
